## WELCOME TO THE CENTRE OF THE UNIVERSE

**BATHURST:** The little hamlet of Bathurst, named after Lord Bathurst is an eclectic mix of old and new and has excellent and well-preserved buildings and monuments dating back to the early 1820's, including the famous Pig and Whistle, a national monument built in 1831. The Wesleyan and St John's church both served as sanctuaries and forts during the Frontier Wars. In 1870, farmer Charles Purdon planted a few pineapple tops, and today Bathurst is credited with being the pineapple capital of South Africa. No visit to Bathurst is complete without a visit to the Biggest pineapple in the World!

Bathurst is a bright, vibey part of the Sunshine Coast filled with history, talented artists, great shopping and pubs & eateries...  
And the Bathurst Market is on every Sunday!
