# 9 - 13 NOVEMBER

The dates for the 2022 Royal St Andrews Amanzi Challenge has officially been announced as 9 - 13 November. Events confirmed thus far for the series include Rubber Duck Racing, Marina Mile Swim, Body Boarding and Surfing. The full programme will be announced closer to the time, so keep an eye out for more details.

The first Royal St Andrews Amanzi Challenge was held in 2017 and was the brainchild of the late Martin Bekker, a man who was passionate about the development of Port Alfred as a tourism destination. Martin met up with Zweli Nkwinti and Dave Lawson and so the multi disciplined event was born. Zweli Nkwinti still has close ties with the Bekker family and is equally passionate about keeping the series alive and growing sports tourism in the Sunshine Coast.

This incredible event is a gamechanger for tourism in the region. Linda Bekker, and son Justin Bekker expressed their desire celebrate Martin's dream by pledging a generous R500,000 sponsorship to hold the event.

Zweli Nkwinti, organizer of the event, correctly pointed out that much of this event takes place in public open space, thus there is no scope to charge spectator entrance fees to sustain the event. For continuity, and to grow the event, additional sponsorship is required. Understanding that the past couple of years have been extremely difficult financially for the business community, and appreciating that it is necessary to continue to be innovative to peak and grow tourism interest, and ultimately investment, Zweli is appealing to all businesses and / or individuals to pledge support of the event, no matter how small the contribution - it all adds up.

Ndlambe Municipality have also pledged their support of the event and will assist with compliance and safety issues.
